

Greetings from NA World Services,

It's a new year, and there is still much to accomplish.

NAWS Membership Survey – Help us show a realistic picture of who NA is!

Every two years we survey NA members, initially beginning at the World Convention. In 2011, we had 17,492 members complete the survey, but we are nowhere near those numbers this time around. We would like more members to be included in the 2013 survey. The online survey deadline is 31 January 2014. So, please participate and pass this link onto your friends in recovery. It shouldn't take more than minutes of your time. We are aiming for 20,000 members to be included. We want you to be involved. Thank you for your time.

Conference Approval Track material (CAT)

The CAT will be available 27 January for purchase for \$14. The CAT contains the Strategic Plan with the NAWS budget and project plans, WSC seating information, and *A Guide to World Services* with proposed changes. The amount of color copying has raised the price for this material, but it will also be available for free download on the 27th from www.na.org/conference. Links to the 2014 *Conference Agenda Report* and the videos that explain the material can be found at the same location.
